

[episode 17]

Dialogue:

May: Cooper, here's the menu I got for the party. Want to take a look?

Cooper: I'm fine with everything, as long as we have enough plates and cups.

May: Nothing like a little family spirit. I didn't make anything too complicated. So, here's the list of the things that we need.

Cooper: Let me take a look. Hey, good job, sis! You got all the numbers right, too.

May: Of course! I had to figure out exactly how much to buy.

Cooper: That's because Mom isn't home. This is your chance to really show what you can do.

May: Actually, I've got one more good idea!

Cooper: What do you have in mind?

May: We should project the Skype call logo on the wall.

Cooper: Who are we going to call?

May: We should let Nana and Dean talk with their families.

Cooper: That's a good idea, but we need to know if their families are available.

May: I'll ask them.

Cooper: If we're really going to do this, we'd better find someone who knows how to do it. We have to make sure the connection is good.

May: Oh, the someone with all the know-how is you.

Cooper: Huh! You know how to arrange everything. You even had me figured into the picture.
